3. Selection Process

Selection to OCES/DGFS-2024 programme is a two-step process: Screening to short-list candidates followed by Selection Interviews of the short-listed candidates. There is a separate two stage selection process (1. screening- on the basis of online exam/ GATE Score/ CBS or NISER CGPA score & 2. Selection Interview) for each of the Exam disciplines. The [Table-1a](#) and [Table-1b](#) contains exam disciplines and details of allowable qualifying degree & allowable GATE paper/subject along with training scheme/schemes which may be allotted to selected candidates.

Screening for Selection Interviews is based on three alternative methods:

1. On the basis of Online Examination:

- i. Online Examination will be conducted in **March, 2024** in each of the eight Engineering disciplines (OCES discipline Codes 21 - 28) and four Science disciplines (OCES discipline Codes 41, 42, 43 and 45) in more than forty cities spread across India.
- ii. Travel Allowance is not paid for appearing in Online Examination.
- iii. Candidates who register for the Online Examination will be allotted to one of the preferred examination centres chosen by them. A link will be provided to all the valid registered candidates to confirm their participation in online exam. Once they confirm their participation the allotment will be done on first come, first served basis. Confirmation for their participation in BARC online exam (CBT) is mandatory for issuing the admit card.
- iv. All candidates appearing for the BARC Online Examination will be awarded a BARC Online Examination Score. Candidates will be screened in for Selection Interview on the basis of Online Examination Score.

2. On the basis of GATE score:

Candidates will be screened in for Selection Interview on the basis of a **GATE-2022 and/or GATE-2023 and/or GATE-2024 score in the applicable GATE subject.**

3. On the basis of CGPA score of CBS/ NISER:

Students graduated/graduating with a Master's Degree in Physics, Chemistry & Biosciences from University of Mumbai – Department of Atomic Energy Centre for Excellence in Basic Sciences (CBS) and National Institute of Science Education and Research (NISER), Bhubaneswar in the academic year 2022-2023 / 2023-2024, and whose Cumulative Grade Performance Average (CGPA) is greater than or equal to 7.5 on a scale of 10 will directly be screened into the Selection Interview stage, provided they meet all other eligibility requirements of the OCES/DGFS-2024 programme. It is to be noted that this option of being screened in based on CGPA can be exercised only once. If applicant had already been screened in for selection interview on the basis CBS/ NISER score in the previous year then such candidates will not be considered for screening through CBS/NISER screening mode. However, such candidates can apply OCES/DGFS-2024 through others modes of screening channel i.e., GATE and/or ONLINE Exam screening channel. Candidates opting for screening through CBS/NISER screening mode should first submit their online application for the OCES/DGFS-2024 programme on the Online Application Portal and subsequently forward their details through the Directors/ competent authority of their institutes to Head, HRDD, BARC Training School Complex, BARC, HBNI Building, Mumbai-400094 **before 23rd March 2024.**

Candidates may note the following:

1. At the time of application, eligible candidates can choose any **one or more than one of** the above-mentioned screening options. As the cutoff GATE scores for screening in to Selection Interviews will be finalized only after the conclusion of the Online Examination, candidates are advised to maximize their chance of being screened in to the Selection Interview by **availing or more than one of the Screening Channels viz., (GATE score, Online Examination & CGPA score of CBS/ NISER (if applicable) as detailed above.**
2. Candidates who opt for screening through Online **Examination will** be allotted to one of the exam cities of their choice given during online registration, subject to availability. **On completion of online application**

process, a link will be provided on the Application Portal for candidates to confirm their participation in online exam. Once they confirm their participation, the allotment will be done to one of their three choice of test centres/cities chosen during online application and subsequently admit card/ hall ticket will be generated for download of the same. Confirmation by candidates for participation in online exam is compulsory step for participating in online examination without which they will not be allotted at any centres to appear in the online examination. Alerts by email as well as SMS will be sent to all candidates who have opted for the Online Examination to confirm their participation in online exam. **Candidates are advised to visit this website regularly for updates in this regard.**

3. The candidates who have opted for screening **on the basis of a GATE Score only or CGPA score of CBS/ NISER (if applicable) only will not be allotted an examination slot** for the Online Examination. In case of candidates who opt for screening **on the basis online exam along with GATE Score and/or CGPA score of CBS/ NISER (if applicable), they will also be allotted exam slot as per their city preferences.** In addition, their **GATE Score and/or CGPA score of CBS/ NISER (if applicable) will also be considered for screening to selection interview.**

Other Opportunities:

6. About Online Exam

'Online Exam' means that the candidate sits in front of a computer at the examination center and the questions are presented on the computer monitor and the candidate answers the questions on the computer through the use of mouse.

Online Exam Pattern:

All questions of the Online Exam are of objective type (multiple choice questions with only one correct choice of answer). Each correct answer fetches 3 marks, while each incorrect answer has a penalty of one mark (-1 mark). No marks are awarded for questions not attempted. While answering a question, the candidate will not be allowed to choose more than one option as correct answer. Candidate can skip a question, if he/she wishes.

There will be 100 questions in all. The questions are so designed that a good candidate will be able to answer 100 questions in 120 minutes.

Syllabus:

The syllabus for the Online Exam is specific to the Science/Engineering examination discipline which a candidate has selected. The questions are intended to assess the basic understanding of subjects in the area of the Science/Engineering exam discipline selected by the candidate. Emphasis would be on the knowledge and problem-solving ability rather than on the memory of the candidate. General English, General Knowledge, Aptitude etc are not assessed.

General Instructions:

All the questions and instructions of the test will be in English only. Candidates should bring a pen for the purpose of rough work, signing etc. Blank sheets for rough work will be provided, if required. Calculators and logarithmic tables are not allowed in the test centers. Candidates are not allowed to bring any other personal belongings such as mobiles/cameras/laptops/notebooks/text books/ digital watch etc. However, an on-screen calculator will be available/enabled during the online examination.

Each candidate who registers for the Online Exam will be instructed to download the 'Admit Card' after confirmation to their participation in online exam on web portal. A candidate's entry into the test center is subject to the verification of the admit card. In addition to the admit card, each candidate is required to bring the following for verification:

- a. A printed copy of the Admit Card is to be submitted for verification at the time of the examination. At least one original and valid photo identification card (i.e. not photocopied or scanned or expired) such as Voter Card, Aadhaar Card, printout of e- Aadhaar, Driving License / PAN card, Passport, Identity Card issued by School / College/University, SSLC/HSC mark sheet with photo must be presented failing which candidate will not be permitted in the examination. Photocopy of the ID proof will not be allowed.
